WORDS FROM REV. DR. JOHN C. LENTZ, JR.

Praise the Lord!
Praise the Lord from heaven!
Praise God in the heights!
Psalm 148:1

Happy New Year! 2024 is going to be a momentous year for us all. Let's keep the faithful momentum going as we do God's work as best we can.

As I look forward to what is before us, I take this moment to look back into 2023 one last time. Pastor David Hansen of Spirit of Joy! Lutheran Church in Woodland, Texas, wrote this on his Facebook page. I am grateful to those at FHC who re-posted it!

"The cuetlaxochitl flower is native to Mexico and Central America (pronounced Kwet•la•sho•shell). For generations the cuetlaxochitl was used by the Aztec people for decorative purposes, as a dye, and for medicinal purposes.

Remember: If you can learn to say Tchaikovsky and Nebuchadnezzar, you can also learn to say cuetlaxochitl.

In the 1820s the US Diplomat Joel Poinsett "discovered" the plant by visiting Mexico, and he had examples of the plant shipped back to his greenhouses. In the US it took on his name, Poinsettia. The plant requires long stretches of darkness each night, and so most regularly blooms in the winter months, providing bright colors to the landscape as other plants are hibernating.

As Christianity spread through the Central America, this winter bloom became associated with Christmas celebrations in the region. One story tells of an impoverished girl named Pepita who was heading to church to celebrate Christmas. Along the way, she realized she had forgotten an offering to give. And so, she picked some weeds from the road side, placing them at the altar. There, they blossomed into the bold blooms of the cuetlaxochitl. This association with Christmas celebrations led the plant to become called in Spanish flor de Nochebuene—the Christmas Eve Flower.

By calling the plant "poinsettia" we rob it of its rich history and the surrounding mythologies - shortening its long story to the brief one of discovery by someone of European descent. Learning to use its indigenous name, cuetlaxochitl, and Spanish name, flor de Nochebuene, helps us to recover this history and bring more meaning into our celebrations."

Thank you, Pastor Hansen. Never too old and never too late to learn the truth and make the change!

Faithfully yours,
~Pastor John

LENT 2024: JOURNEY TO JERUSALEM WILDERNESS, TEMPTATION AND CALL

As we continue our journey of faith, we will go through the wilderness and be tempted to lose sight of God's presence. Yet, as we continue, we will find a way, a truth and a life that gives glory to God and reveal to us our own calling and our belovedness as children of God.

Each Sunday we will explore the mystery of God's grace and be grounded in our identities as siblings of Jesus Christ. There will also be opportunities midweek throughout Lent to deepen our faith. Join us for the journey to Jerusalem.

Wednesday, February 14

Ash Wednesday 6:00 – 8:00 p.m.

Supper at 6:00 in Fellowship Hall followed by a service of worship to mark the beginning of Lent at 7:00. At this service we will mark our foreheads with a sign of cross made from the ashes of last Palm Sunday's palms. We will share the Lord's supper and prepare for the journey to Jerusalem.

Wednesday, February 21, March 6 and March 20

Supper and Contemplative Worship 6:00 – 7:00 p.m.

Life is busy with many distractions. Join us for a simple meal at 6:00 p.m. followed by a contemplative service in the Sanctuary at 6:30 p.m. Together we will pause from the journey and pray together, sing together, be in silence together, and seek God's presence together.

Sunday, March 24

Wilderness Retreat 1-4pm in the Chapel

Lead by Sally Wile and Mary Ann Breisch. Through Scriptural stories, poetry, music and visual art, we will explore how the journey to Jerusalem inevitably finds us in the wilderness. We will reflect on how there, in the barrenness, God is revealed and we are transformed.

Thursday, March 28

Maundy Thursday 6:00 – 8:00 p.m.

Supper at 6:00 followed by a service of worship to prepare us for the crucifixion of Jesus. Passages from the gospels remind us of the final meal with his disciples, his agony in the garden, his trials before he offers himself to the cross. After each reading the lights are dimmed until the Christ Candle is removed from the sanctuary.

Friday, March 29

Good Friday Community Service @ St. Pauls Episcopal 12:00 noon – 3:00 p.m.

We join other Christians in our community at St. Pauls for a service of remembrance. Brief homilies are offered on the "7 last words of Christ." The choir of St. Pauls will sing an oratory, prayers will be offered and hymns will be sung. You may come and go as your schedule permits.

Thanks to Jennifer Blakeney, Sally Wile, Mary Ann Breisch, QinYing Tan, Leslie Clement and Valeria Stutz for their vision and spirit leadership.

THE CONTEMPLATIVE PRACTICE AT 9:30-10:15 AM IN THE CHAPEL.

In recognition of Black History Month, our Contemplative Practice will focus on African American spirituality. Please join us each Sunday for a time of reflection and restoration, followed by an opportunity to break bread together in the adjoining room.

For more information or If you would like to lead one of these Sundays, please contact Cynthia Lehman (lehman.cynthia@gmail.com).

YOUTH GROUP (Grades 6-12)
4-WEEK STUDY - THE GOSPEL OF MARK
Sundays in February (4th, 11th, 18th, 25th)
9:30am – 10:30am in Room 104

Teens (grades 6-12) are invited to join Pastor John and Amy on Sunday mornings in February as we read and discuss the Gospel of Mark.

What do we know about this gospel? Mark is probably the first of the gospels to be written and is likely the source for Matthew and Luke. It's the shortest gospel, probably written in the 60's A.D. But, by whom? Where? Who was the intended audience? And most importantly, what does this gospel have to tell us about Jesus? (Did you know that Mark doesn't have an account of Jesus' birth or his resurrection appearances?)

Please join us on Sunday mornings in February as we read and discuss the Gospel of Mark. Bring your thoughts and questions to share – we'll bring the donuts!

Questions? Contact Amy Wheatley, ce@fhcpresb.org

COME JOIN US! MUSIC, FELLOWSHIP, AND LOTS OF FUN!

The Chancel Choir and Voices of Bronze are our two main musical groups at Forest Hill Church and we have had lots of opportunities to present our talents in worship every Sunday! In addition to learning music, we have lots of fun connecting with each other in fellowship, fun, and even in “competition!”

We are eager to welcome new singers and bell ringers into our ensembles and choirs. Come join us! In fact, music-making has been shown to improve mental and physical health. A research project by University of California suggests that choir singers often have “strong increases of immunoenhancement.” Researchers have also found that singing and music-making triggers *the release of oxytocin*, which helps relieve anxiety and simulates feelings of trust.

Are you looking for a group to make music with? Come join us! Please contact Ying at music@fhcpresb.org if you are interested. Participants are encouraged to be up to date with their vaccinations.

Cold Cleveland, Warm Hearts

Winter in Cleveland is cold, but our hearts are warm and joyful! The Stewardship Ministry is happy to share that we’ve reached \$725,000 in financial commitments for 2024 as of this writing. We also received, and met, a very generous \$10,000 challenge gift in matching funds. So much wonderful generosity is reflected in these commitments and gifts. Thank you all so much.

Like other ministries, we’re reflecting back and forward at the start of the year. The Harvest Celebration Lunch, many testimony videos, and improving our giving channels and information are some of things we’re grateful to have accomplished in 2023. For the coming year, we’ve set ambitious goals to increase commitments by 5%, improve some of our communication and tracking processes, and add an Elder (or two!) to our group.

Would you like to join a small but mighty band of folks who work together well and efficiently and hold each other dear in the process? Come serve on Stewardship with us for the coming year!

And, if you haven’t yet had a chance to submit your commitment form, you can return the envelop that came in that mailing or click [here](#) to submit your form electronically.

Message from our Worship Committee

Hello Forest Hill!

Prior to COVID, when we worshipped in person, many of you were actively involved in serving as lay liturgists and communion assistants. Those activities were meaningful to many of you. We are eager to return to those practices. In review, lay liturgists assist the pastor by leading the call to worship, the opening prayer, and reading the selected scriptures for the day. Those who assist in serving communion speak the words of distribution while passing the bread and juice to those worshippers who come forward in front of the church.

If you are interested in being a lay liturgist during worship, please contact Linda Martin at martin3386@ameritech.net or (216) 280-4049. If you wish to assist in serving communion, please contact Jeanette Nemcek at jet0830@aol.com or (216) 789-6740.

Once we have a list of willing participants Linda and Jeanette will contact you in advance about scheduling, as well as providing you with instructions for these activities. If there are any questions or concerns, please contact Linda or Jeanette.

SESSION HIGHLIGHTS

The Session of Forest Hill Church met on November 29 and December 20, 2023. Pastor John Lentz was the Moderator for both meetings.

Session Meeting on November 29, 2023

After opening with prayer, Pastor Lentz guided the elders in a spiritual conversation on the theme for Advent – “How Does a Weary World Rejoice?”. Elders reflected on where there might be weariness and how joy might be found.

Session received the financial report for the period ending October 31, 2023. The Finance Committee forecast showed a deficit in the operating budget for the end of the year and session discussed options for reducing expenses and increasing income in response. The draft 2024 budget was presented and also showed a deficit. Session discussed ways to reduce or eliminate that potential shortfall.

Session received a report from the Creating Racial Equity Committee. This committee has worked for over a year to audit the church’s operations with respect to racial equity and support the ministries as they include racial equity as a key part of their missions. The recommendations from this work will be carried out in the coming months and a process for evaluating and improving efforts going forward will be set up.

One of the roles of the Deacons is to review the membership rolls each year and see which members are becoming inactive. Active members are those who attend worship and participate in the life of the church through gifts of time, talent or financial support. This review had been suspended during the COVID pandemic. Deacons reviewed church records, consulted with Pastor Lentz and communicated with members who seemed to have become inactive. Forty-eight members were recommended to be moved from the Active Membership Roll to the Inactive Roll. Session approved this recommendation.

Pastor Lentz reported his plan to invite key leaders involved in racial equity work within FHC to gather for a conversation about the visions for this important and impactful work and how the various groups can support each other and coordinate their work.

Session closed with prayer by Pastor Lentz, in Christ’s name

Session Meeting on December 20, 2023

After opening with prayer, Pastor Lentz welcomed a leader the Congregation Assessment Tool team. Session was invited to complete the questionnaire and discussed the process. Difficulties with digital access in the group setting were noted and will be addressed.

Session received the financial report for the period ending November 30, 2023. The Finance Committee reported a forecasted deficit of about \$22,000 by the end of the year. If it materializes, this shortfall will be covered using the Rainy Day Fund. The proposed budget for 2024 also showed a deficit of about \$67,000. Session discussed options for increasing income and reducing expenses to eliminate this deficit.

Session reviewed and approved a new Disability Accommodation Policy and the 2025 Holidays Policy, as presented by the Personnel Committee.

The Ministry of Worship reported that the piano in the sanctuary has reached the end of its useful life. The age of the piano coupled with the wide swings in temperature and humidity in that space make it impossible to maintain the tuning. Session consensus was that the Ministry of Worship should explore options for procuring a new piano as well as funding the purchase through a loan and a capital campaign to pay off the loan.

Session celebrated the 2024 Stewardship Campaign which reported achieving 97% of the goal of \$725,000 in pledges. The team continues to reach out to congregants and encourage giving.

Deacons recommended that two members be moved from the Active Membership Roll to the Inactive Membership Roll. They also recommended removing two members from the Roll as both are now ordained ministers and so not eligible for membership in the local church. Session approved both recommendations.

Pastor Lentz discussed the current allocations of the available funds from Endowment and encouraged session to consider creative and impactful ways to use those funds differently.

Session closed with prayer by Pastor Lentz, in Christ's name

WATER, WATER, WATER

Our most important natural resource is not fossil fuels which drive our energy needs, but water. Non-polluting, non-greenhouse gas emitting water. Water is also our most abundant natural resource. And we are blessed that here in the domain of the Great Lakes, we are in perhaps the greatest pocket o life-giving fresh water in the world.

However, we know all too well the ongoing threats to this resource: pollution from toxic chemical runoff from industrial manufacturing, vehicle transport accidents (think the East Palestine train derailment); pipeline distribution system ruptures, agriculture runoffs, acid rain, etc.

And much like the interconnectivity of all life which we have come to appreciate, so to is the interconnectivity of flowing water. Our national main waterway—The Mississippi River---is fed by the many springs, lakes, and contributory rivers and streams. Downstream, far away from us here in Ohio, the Mississippi delivers its accumulated toxic elements into the Gulf from several thousand contributing waters flowing miles. And there are many chemical plants in the river delta, delivering toxic chemicals, and also downgrading the environment of lower income peoples as well as harming their physical health.

While we in the North do have some guilt in how we pollute our own waterways here in Ohio, a bigger issue is what is happening in the upper Great Lakes. Pipeline construction projects which will deliver Canadian boreal forest oil extraction threaten native people communities, cultures, and pose spillage accidents which could foul the water supplies of many millions of peoples throughout a multistate region.

Fortunately, our friends at Earth Justice and their allies are busy at work opposing this potential for disasters by fighting for the Great Lakes in challenging damaging proposals in lawsuits and other court actions: together with native tribes fighting a tunnel in the Straits of Mackinac and supporting Michigan's Attorney General against a pipeline which would transport Canadian oil-sands across the state of Michigan.

Here in Northeastern Ohio fortunately we do not have such ominous environmental water issues per se, but we must still do our part and be vigilant. Our water supplies are still fragile, and many of our water purification and delivery systems are in great need of upgrades. Action on these issues is the province of our political and legislative authorities on the local and state levels, with federal support, which is beyond our control. But on a personal and family level, we can do our part by judicious usage of our water, controlling runoff, minimizing fertilizer and pesticides, and especially controlling and properly disposing of plastic articles to prevent them from fouling water sources.

~Dave Neff, Earth Care Leader

On **February 20th at 7pm** hundreds of GCC leaders will host a forum for the Cuyahoga County Prosecutor candidates and the Juvenile Court Judge candidates. ***This forum will be a huge opportunity for GCC to highlight the injustice of binding over children to the adult justice system and how denying them the best representation available impacts their lives and the lives of their families. The action will require the candidates to react to our anger about this and other issues important to GCC. We are looking to pack the venue with our members to demonstrate our organizing power.***

The assembly will be held at **Antioch Baptist Church**, 8869 Cedar Avenue in Cleveland. (The action will be hybrid with virtual options; in-person is highly preferred.)

Please contact Diana Woodbridge, diana@ninthrung.com to commit to attend this action and use the GCC link below. We will carpool from FHC at 6 PM the night of the event. Please notify Diana, if you plan to carpool.
