STRENGTHENED IN FAITH
AND OVERFLOWING WITH THANKFULNESS

Join us in reaching our 2027 stewardship goal of 100% participation through your pledged amounts and acts of love.

If you took a snapshot of Forest Hill Church - whether in the sanctuary or out in the world - we are a faithful, joyful, grateful, and deeply committed community. How blessed we are to have found one another and our shared calling to serve God.

As we prepare to welcome our settled pastor, we move forward strengthened by faith and confident that God is with us. We look forward, with hope, to all that God is calling us to be.

Thank you for giving so generously. The Stewardship Ministry is honored to serve alongside each of you.

Continue to live lives rooted and built up in Jesus, strengthened in faith, and overflowing with thankfulness. Colossians 2:7

FYI

WE STRENGTHEN FAITH

- We pray for one another, care for the sick, and build relationships rooted in God's love.
- We challenge ourselves to know more and act upon sacred texts through robust sermons, a strong Family, Youth and Children Program, Bibles and Bagels, and Adult Spiritual Growth opportunities.
- As a Matthew 25 church, we feed the hungry, serve our neighbors, and work for justice through local ministries and community partnerships: Labre, Justice Ministry, Abundance Food Pantry, Greater Cleveland Congregations, and the Immigration Task Force.
- We affirm that every person is a beloved child of God, embracing inclusion and celebrating our diverse community. We find a multitude of ways to celebrate all including Juneteenth, Black History Month, Pride Month, and Camp Lilac.
- We celebrate music that inspires and renews us. Music is a powerful form of prayer.
- In worship, everyone - including children - has a place to lead.

WE OVERFLOW WITH THANKFULNESS

- Our church staff is top-notch including pastors who have always been honest, humble, and approachable.
- Our young families are engaged and thriving.
- Our Deacons care for others in personal and generous ways.
- Our Abundance Food Pantry is the fifth largest in Ohio. It feeds hundreds of families each week, and grew from a member's vision of a shared garden at church.
- We wiped out the undergraduate educational debt of a Black woman as a step toward a fairer community.
- Racial Equity Buddies and Book Club, started at our church, has grown to a city-wide effort involving dozens of congregations.
- Our worship is joyful and inspiring. We sing the Hallelujah Chorus together. We raise our voices with trumpets, drums, handbells and, often, premier guest musicians.
- We pause, every service, passing the peace with genuine warmth.
- We gather for fellowship and friendship in many ways including the multigenerational Gingerbread House event which supports Family Promise.
- Through every season - including pastoral transition - we remain faithful, generous, and united.
